WHAT WE PLAN TO DO

- » Surgery in Timor-Leste
- » More surgery in Australia
- » New ways to connect with new patients
- » Help tackle the causes of rheumatic heart disease

CONSOLIDATE AND EXPAND OUR SERVICES

We will help more young people from Timor-Leste by partnering to offer in-country heart health services, while we continue to operate our existing program of cardiac surgery in Australia.

BUILD LOCAL HEALTH SYSTEM CAPACITY

We will improve cardiology services in Timor-Leste by establishing an education program and improving access to essential health system resources.

WHAT WE PLAN TO DO

- » Cardiologist training in Timor-Leste
- » Professional education and resources for health workers in Timor-Leste
- » Better access to medical equipment, drugs and consumables

DEVELOP THE ORGANISATION

We will invest in the development of people, organisational structures and resources that will enable us to help more young people from Timor-Leste.

WHAT WE PLAN TO DO

- » Succession planning and medical recruitment
- » Establish a staff position
- » Research our effectiveness
- » Good governance systems

STRENGTHEN PARTNERSHIPS AND COLLABORATION

We will formalise arrangements with our existing partners and forge new ones with key stakeholders in Australia and Timor-Leste.

WHAT WE PLAN TO DO

- » Strengthen ties with partners in Australia and Timor-Leste.
- » New health partnerships in Australia
- » Develop relationships in Timor-Leste

INCREASE AND DIVERSIFY FINANCIAL SUPPORT

We will increase community awareness of our work and explore new opportunities to further build our financial resources.

WHAT WE PLAN TO DO

- » Market ETHF to raise awareness
- » Longer-term agreements with partners
- » New revenue sources
